BSc (Hons) BUSINESS COMPUTING AND INFORMATION SYSTEMS – UCLAN

UNIVERSITY OF CENTRAL LANCASHIRE

BSc (Hons) BUSINESS COMPUTING AND INFORMATION SYSTEMS

BSc (Hons)
Top-up Degree
Equivalent to the third year of a bachelor's degree

OVERVIEW

The **BSc (Hons) Business Computing and Information Systems Top-up Degree** is delivered online by NCC Education, validated and awarded by the **University of Central Lancashire (UCLan)**. The qualification is equivalent to the third year of a bachelor's degree.

This programme equips students with a blend of technical IT skills and business expertise which prepares them for careers in senior management roles. The programme modules are designed to provide students with the fundamental skills and knowledge required by employers in the IT sector.

Upon successful completion of the degree, students are invited to attend their graduation ceremony at Preston Guild Hall in the UK.

Graduates can pursue careers in: IT Management/Consultancy, Software Engineering, Networking, Data Management, Cyber Security, and Information Systems Management
